

How to locate a FROG quiz

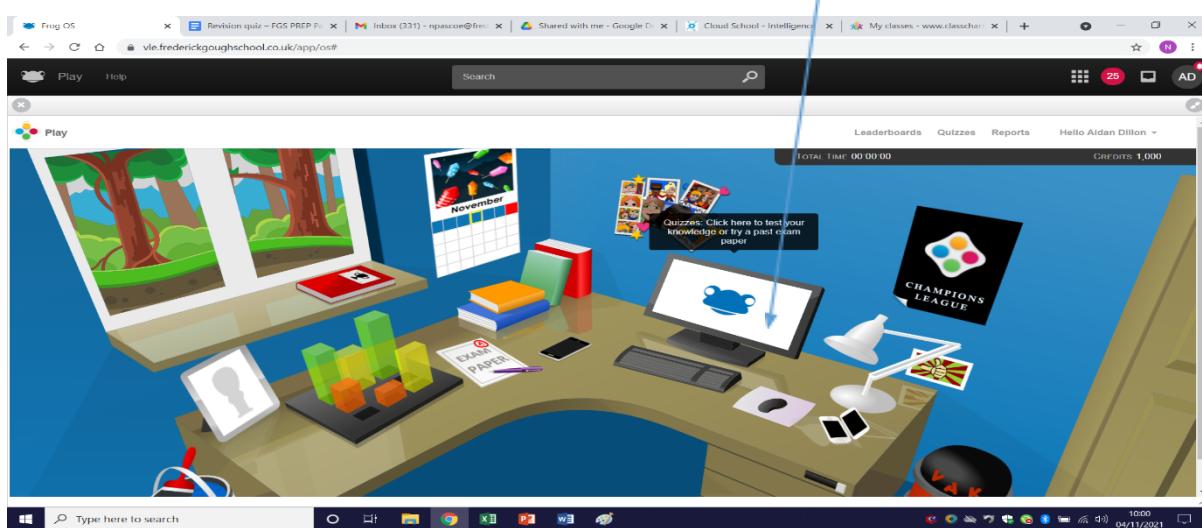

From your home page click on the 9 squares

From there you will then need to click on the tab that says 'frog play'

From here you need to click on the computer screen (it will say quizzes)

You will see your subjects on the left hand side of the screen (click the subject you need) and then the quiz that you require

The image shows a digital interface for a learning platform. On the left, a sidebar titled 'Key Stage 3' lists various subjects with icons: 'Learning Skills' (purple info icon), 'Literacy' (purple info icon), 'Mathematics' (calculator icon), 'Music' (musical note icon), 'Other' (document icon), 'Physical Education' (runner icon), 'Religious Education' (cross and crescent icon), and 'Spanish' (Spanish flag icon). A blue arrow points from the 'Physical Education' icon down to the 'Science' icon. On the right, a grid of nine boxes represents quizzes, each with a right-pointing arrow icon, the quiz title, the number of questions, and a 'Teacher Created Quiz' label. The quizzes are: 'FGS Respiration' (14 questions), 'Food Webs' (8 questions), 'Food and digestion' (27 questions), 'PREP - Chemical Reactions' (16 questions), 'Prep Digestion Quiz' (19 questions), 'Rocks and weathering' (22 questions), 'Science Home Learning Week 2 (Chemistry) Quiz' (6 questions), and 'Simple circuits' (6 questions).
