### **Frederick Gough School: Provider Access Policy**

#### **Introduction**

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

#### **Pupil entitlement**

All pupils in years 7-11 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through appropriately organised events such as options events, assemblies, group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

For pupils of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for pupils during the 'first key phase' (year 8 to 9) and two encounters for pupils during the 'second key phase' (year 10 to 11).

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers;
- explain what career routes those options could lead to;
- provide insights into what it might be like to train with that provider (including the opportunity to meet staff and pupils from the provider);
- answer questions from pupils.

#### **Meaningful provider encounters**

One encounter is defined as one meeting/session between pupils and one provider. We are committed to providing meaningful encounters to all pupils.

Meaningful online engagement is also an options, and we are open to providers that are able to provide live online engagement with our pupils.

The school will also endeavour to make available requested equipment to support provider presentations. All will be discussed and agreed in advance of the visit with Miss Braithwaite or our Careers Leader.

Providers are welcome to leave a copy of their prospectus or other relevant course literature for the fully staffed library which is available to all students at lunch and break times.
