*I had an amazing time in Namibia, we had 8 games of Netball at different schools, we won 6 out of the 8 games. The people were very welcoming, after the games the staff and parents of the players put on a traditional Braai (BBQ). We did a lot of exploring in Namibia, we were staying in Windhoek and explored a bit of the city by going to the museum and a market in the Township. After a few days in Windhoek we travelled 3 hours to the coastal resort of Swakopmund, where we played a team at Walvis Bay Private school. This was a very intense game, but we came away with a 35 - 26 win.*

*We moved into the desert on day 5, where we climbed Dune 7, the 7th largest sand dune in the world, later we went quad biking in the desert which was great fun, we rounded this trip off with a camel ride in the same desert.*

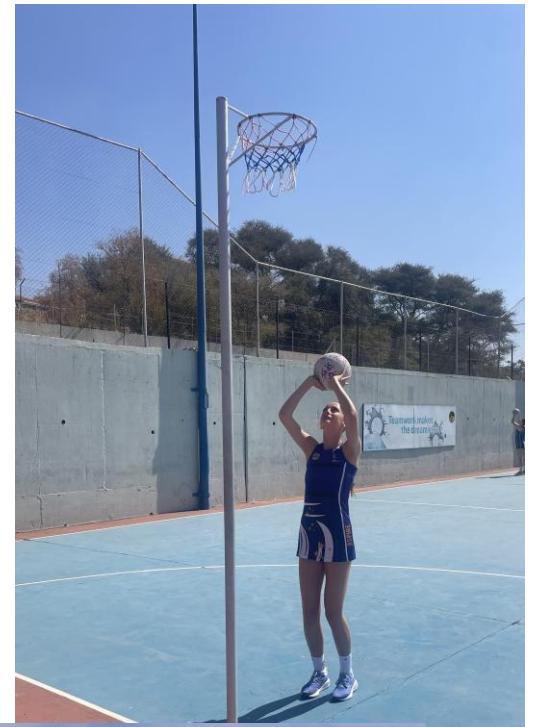

*On the last day before we went to the airport, we visited Naankuse Wildlife Sanctuary, we met, leopards, Cheetahs, a Hyena and 2 Lions.*

*The trip to Namibia was a once in a life time experience and I made a lot of new friends.*

*Thank you so much*

*I have attached a few photos.*

A thank you letter received from Evie who was awarded funding towards purchasing kit to attend the Betty Yager Summer School in 2024

Dear Sir/Madam,

I am writing to thank you for the generous support you gave me when I attended the Betty Yager Summer School, affiliated with Scunthorpe Music Festival at Bishop Grimesthorpe.

I wanted to share my experience with you. It was great. I met friends that have a common interest. I was able to participate in the show which we spent the week rehearsing, sleeping and learning about singing, dancing and acting. This experience definitely helped my confidence on stage.

Thank you, again.

Evie
